PRIMARY CUT

ON NITRO
CAPTAIN DOUG'S PORTER
ABV 5.5% 16oz... 7

This is the first "cut" of a specific batch of beer. We directly transfer the unadulterated liquid from its primary fermentation vessel to a keg. It is then pushed to the tap utilizing a nitrogen blend to create a smooth & velvety representation of one of our traditionally carbonated craft selections.

Available On Draft Only!

ON NITRO
KITTY CATS & FIREWORKS
